### Policies and FAQs

- Please note that all results work differently with each photo. It will be based on the colors, tones, lighting of the original photo. Try it on different images to see what is working better with.
- You are allowed to sell photographs and artworks that have been improved by the BeArt Presets. However, you are not allowed to sell, distribute, bundle, rent, give, sub-license or otherwise transfer the products of BeArt-Presets.
- Due to the digital nature of our products, we do not provide refunds or exchanges once they have been purchased, which is the industry standard. If you have any questions about your purchase, we will happy to help you.
